3. Year of birth:
4. Gender: Male ☐ Female ☐ Other ☐ Prefer not to say ☐

Part B. Contact Information

5. Mobile phone number:
6. Email address:

Part C. Education

Please indicate your highest academic qualification (PhD, MA/MSc, BA), as well as the institution that awarded it. Please provide the institution's name in its original form (e.g., Universität Leipzig). If you have not yet completed your undergraduate studies, please select "Undergraduate student" in the relevant field.

Highest academic qualification: Undergraduate

Awarding institution:

Year awarded:

Part D. ORCID iD

Please provide your ORCID iD. This is particularly important for applicants seeking admission as Senior Researchers or Early Career Researchers. If you do not already have an ORCID iD, you can create one easily, quickly, and free of charge at <https://orcid.org/>.

ORCID iD:

Part E. Supporting Statement

Please provide a statement of no more than 250 words in support of your application. Your statement should include: a. information about yourself, including your interests, social engagement, and personal pursuits; b. the reasons why you wish to join the Applied Philosophy Research Laboratory; c. the extent to which your previous studies are related to the Laboratory's scope and activities; and d. the ways in which you believe that joining the Laboratory will influence your future development.

Part F. Information for the Laboratory's Website

If your application is approved, your profile will appear on both the Greek-language and English-language versions of the Laboratory's website. In the fields below, please provide your full name, exactly as it appears on your identity card or passport, together with the academic title and institutional affiliation that should accompany your name (e.g., MA, National and Kapodistrian University of Athens, or PhD, Universitatea din București). Please also provide a short biographical note that should be between 100 and 150 words. If you hold a doctoral degree, please include the title of your doctoral dissertation. To view examples, please visit the Laboratory's website and consult the relevant section under "People".

Name:

Title:

Bio-note:

Part G. Submission of the Application

Once you have completed the application, please submit it by email, for the attention of **Ms Maria Zanou**, the Laboratory's Human Resources Officer, at philosophylab@philosophy.uoa.gr.

Please attach a high-resolution digital photograph, preferably in portrait orientation, in which your face is clearly visible.

The administration of the Applied Philosophy Research Laboratory will review your application and respond to you as soon as possible, informing you of the membership category to which you have been assigned: Senior Researchers, Early Career Researchers, or Members. The Laboratory retains full discretion to reject an application.

In all cases, the information contained in your application will remain confidential and will not be disclosed to third parties, except as expressly provided in Part H below.

Part H. Declaration

The Applied Philosophy Research Laboratory's decision concerning my application will be made in good faith and on the basis of the information I have provided in this application form. If any information provided by me is false, incomplete, or inaccurate, the Applied Philosophy Research Laboratory reserves the right to revoke or amend its decision concerning my admission.

In accordance with the General Data Protection Regulation (GDPR), the information contained in this application will be used exclusively for the purpose of assessing my application and will not be disclosed to third parties, with the exception of the information specified in Part F and the photograph submitted in accordance with Part G, to the publication of which on the Laboratory's website **I hereby consent**.

§

I certify that the information provided in this application is complete and accurate. If my application is approved, I agree to comply with the regulations governing the operation of the Laboratory, as applicable from time to time. I further undertake to ensure that all my activities and conduct as a member of the Laboratory are guided by academic and personal integrity.
